

REMARKS

Amendments to the Claims

Claims 29, 30, 35-43, and 48 have been cancelled. Applicants respectfully submit that these amendments place this Application in a condition for allowance.

No new matter has been added.

Response filed February 25, 2008

In our review of the present application, we note that in the response filed on February 25, 2008 the label "(Canceled)" was placed next to claim 5. However, claim 5 was amended in that response and the remarks indicated that claim 5 was pending and amended for grammatical purposes. (Response, page 7).

We note that claim 5 has now been allowed. We sincerely appreciate the Examiner's interpretation of the conflicting status of claim 5, and consider claim 5 to be pending and allowed.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

CONCLUSION

In view of the above remarks, it is believed that claims are allowable.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Leonard R. Svensson Reg. No. 30,330 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
